*The purpose of Saint Alban's
Episcopal Church is to provide a joyous,
loving, caring community of Christian worship
and fellowship that makes Christ known through active

A monthly publication of St. Alban's Episcopal Church

Dear Parishioners

June will host a number of activities around St. Alban's. Although our regular Christian Education Classes will be taking a vacation for the summer months, we will be offering at 9:15 a.m. on Sundays a Bible Study based upon the 40 days of Discernment. On Sunday June 1st and June 8th we will begin with the DVD of Archbishop Venebles visit to the Diocese of Fort Worth. Then on June 15th we will begin the Bible Study.

VBS begins on Monday, June 9th until the 13th. This is a great way to invite people to St. Alban's and get them involved. It is a way to reach out to your neighbors and friends as well as our own children at St. Alban's. Registration forms and Medical forms are available on our Web site. So invite all those you know to join in VBS "Power Lab—Discovering Jesus' Miraculous Power" from 9:30 a.m. until 12:30 p.m. ages-- kindergarten through 5th grade are welcome along with your help, presence and prayers.

For our teenage youth, St. Michael's Conference will be held at Camp Crucis. Fr. Matkin will once again be one of the leaders and teachers at this Conference. It is life changing for our youth so I hope you will encourage your teenager to join in the fun. St. Michael's Conference begins on the 15th of June and goes through the 21st. More information may be found at www.stmichaelsw.org.

Sunday, June 22nd is St. Alban's Day. We will be celebrating the end of our 60th year with a Choral Evensong at 5:30 p.m. We will have our regular schedule of 8:00 a.m. and 10:30 a.m. Eucharist in the morning but at 5:30 p.m. we will have The Rev. Stanley Maneikis

as our guest preacher at a wonderful Choral Evensong. Following the Evensong, we will go to the Parish Hall for a potluck dinner. I hope you will make every effort to be with us as we conclude and then begin our 61st year of ministry in Arlington.

A big thank you goes to the volunteers who filled in for Sharon while she was on vacation the end of April and the first part of May. Your help was greatly appreciated and you helped keep things running smoothly. Thank you for all your help. We give thanks to God for the expected arrival of Father Timothy and Melisa Matkin's first child in November. Congratulations! The three of you will be in our prayers. We also give thanks to God for the expected arrival of the first child of Deacon Jonathan and Elizabeth Duncan's first child in September. We also will be keeping the three of you in our prayers. St. Alban's is indeed blessed with all the new life we have and are expecting in the parish.

Once again I remind you we are having a reception to welcome Deacon Jonathan and Elizabeth Duncan to St. Alban's on July 6th at 9:15 a.m. Please come, meet and give them a warm St. Alban's welcome. Mark your calendars for Saturday, August 9 for Fr. Duncan's Ordination to the Priesthood which will be here at St. Alban's at 10:00 a.m. It will be great to have Deacon Duncan on board on July 1st.

A number of projects will also begin in June. Our first project on our wish list for the Capital Campaign is taking place. Our old heating and air conditioning units are being dismantled as I write this. Our new heating and air conditioning units will be installed next week. Ahhhh.....cold air when we need it and heating when we need it...isn't that going to be fantastic!

By the time this Legate reaches you, we will have chosen the General Contractor for the multiple roofs and other storm damage repairs. I hope that we will be starting no later than mid June with replacing the roofs. Many thanks to Pat Sparks, Steve Altman and the members of the development committee that have worked hard to insure we receive the best service for the repairs. I give thanks also to the Diocesan Risk Committee who has been so helpful with referrals and information for all the repairs.

After the roofs are replaced we can hopefully begin on the first phase of the Marsee Memorial Garden. We have had to wait for the heating and air conditioning units to be installed. Then we have to wait for the roof to be replaced. Hopefully that will be the end of delays and work can begin on this beautiful garden.

Besides all these we will have painting done to the outside of the buildings, a new narthex floor installed; the hole in the ceiling repaired, stained glass windows to be repaired and who knows what else may be coming out of the many blessings our Lord has given us. Keep St. Alban's in your prayers as we finish up our 60th year and begin afresh our 61st year of our Lord and Savior's ministry in Arlington.

We do know what else. University Street which is north of the Church will also be under construction over the next year. The city will be replacing water and sewer pipes. I don't quite know what all this will entail when they tear up the street right next to St. Alban's, but do be warned and careful when crossing the street or driving out of our parking lots. God is blessing us with new infrastructure in our whole renewal process. Something unexpected!

Once again as summer approaches, I remind you that God does not take a vacation nor does St. Alban's Parish. We still keep the doors open, lights on, air conditioning going and ministry and prayers are still very active. So please keep your gifts and pledges current before you leave on vacation. Not only is it a good discipline for each of us but keeps our financial obligation current. Please be faithful where ever you may travel. Bring back a bulletin from a church you attended while on vacation. It is always great to see what other churches are doing.

In Christ,
Fr. K+

Saturday Book Club: There will be a study beginning in June of the book *The Reluctant Healer: One Woman's Journey of Faith* by Emily Gardiner Neal. We will meet on the third Saturday of each month at 9 am in the church parlor. A review of the book states:

Emily Gardiner Neal was a skeptic in the early 1950's and a professional journalist. Strongly affected by witnessing a healing service, she felt compelled to investigate the phenomenon. She began to talk with those who were healed, their pastors, their families and their physicians. In the process, she began honestly to face her own apprehension, subsequently writing A Reporter Finds God Through Spiritual Healing. Her journey of faith and her participation in the healing ministry of the church for the next thirty years are recorded in her additional six books- all out of print. An anthology of those books has been skillfully written by Anne Cassel to share the essence of her timeless stories and her extensive research. The book, formerly titled Celebration of Healing is scripturally sound. The Episcopal Healing Ministry Foundation had sponsored the reprint of this work entitled The Reluctant Healer.

Come and join us as we read and discuss this work written by a woman who began her journey as an agnostic and eventually was ordained to the diaconate in the Episcopal Diocese of Pittsburgh in 1978.

The book is available through St. Alban's bookstore. For more information please contact Alison Coombs 817-496-5602. This

study is sponsored by Order of Saint Luke.

Canterbury Ministry for the UTA community and all young adults is meeting at 7pm on the first Sundays of the month during the summer in the Canterbury House at the corner of S. Davis and Fourth Street. All are welcome. Dinner is provided. Our website is utacanterbury.blogspot.com.

Camp Crucis Parish Campouts and Picnics

Camp Crucis will be working closely with the congregations of the Diocese of Fort Worth to set church campouts and picnics. St. Vincent our cathedral is leading the way with a church family campout. We have reduced the prices to encourage families to tent camp or stay in one of our air-conditioned cabins. Tent camping is \$5 per person per night with a maximum of \$15 per tent per night. Cabin rates are \$50 per night for up to 14 people. Hiking, fishing, sports equipment, and court use are free. Swimming, horseback riding, and bounce houses can be added for an additional fee. Our picnic special includes the use of DeWolfe hall and the pool use for \$5 per person. These specials are available for churches only. We would like to say thank you for your support of Camp Crucis and help you strengthen your Christian community. Come and enjoy God's garden in Granbury.

Daughters of the King – St. Teresa of Avila Chapter

The Daughters of the King is a prayer and service group of women at St. Alban's. We have been active for about two years. All members are enthusiastic about their calling. We meet on the second Saturday of each month at 11:30 a.m. in the conference room. You are invited to visit our meeting anytime.

Our services, at present, include keeping white vestments clean and a prayer shawl ministry. A new activity that we are beginning is the Encouragement Card. You will find in the pews a blue card for you to send a message of encouragement to someone in the church. Just put your card in the alms basin and we will send it on. Thanks to Peggy Pate and Sara Beall for this new ministry. —Gloria Lawley, President

Tales From the Loft

As I write this, the Ascension of Our Lord has just past and we are in the Novena before Pentecost. The service on that Thursday was the culminating high point of the Easter season with a glorious choral mass and equally inspiring sermon by Fr. Tim. Ascension is one of the high holy days of the liturgical year. I know that it is hard to schedule a weekday service into an already tightly filled agenda. But I found it well worth the effort to attend and spend an hour to experience the fulfillment of the Easter season. Plan now to make attending the Ascension service one of your priorities next year and join me in a glorious holy experience.

As of May 7, we have \$28,075. in the Organ Fund. We still need \$10,530. to be able to order another organ case to begin the second phase of our project. Is this amount in your range of giving? If so, let me know and I will give Ross a call.

Organist Emerita

Note From the Editor

I hope you all are doing well and would like to express a big thank you for the prayers and well wishes for our new little family. I have implemented a few changes to submission policy.

Lately I have been receiving submissions very late. Because this delays the publication and mailing of the newsletter, I will no longer accept new submissions after the **13th of the month** prior to publication. Corrections should be submitted no later than the 20th. The newsletter is still viewable as a PDF on the Saint Alban's website. Please be aware that images containing text will not be included if the text is unreadable at a small size. In addition, I will not accept PDF files to be included. If you would like to submit a flyer, please send it in MS Word format (.doc). Also when sending submissions please refrain from using all caps.

St. Michael's Youth Conference

Much more than a 'Church Camp', St. Michael's Conference is a 7-day conference where an intentional community of prayer, support, and education helps to form young Christians to be witnesses to the world of the Saving Power of Jesus Christ.

Through worship, study, discussion, recreation, and relaxation, the community seeks both a clearer vision of God in Christ, and strength and power to fight evil and serve God. For most, it is such a joyful experience that they want it to continue, and many do continue by returning year after year. Michael is a good patron Saint. He symbolizes a strong religion, the kind of religion where true joy is to be found.

This conference has already borne much fruit in the life of the Church through the lives of those Michaelites (Conference participants) who are active in their respective parishes throughout the Episcopal Church. We are committed to making the Conference available to the youth of the Southwestern region of the United States. Our intention is not to do a "new" thing, but to faithfully hand on what has been given to us - the Catholic Faith. Our worship and practice are therefore unapologetically Anglo-Catholic, and our teaching orthodox.

Please visit www.stmichaelsw.org for more information. Fr. Matkin will be teaching two classes again this year.

Sunday School Corner

*I am not ashamed of the gospel, because it is the
power of God for the salvation of everyone
who believes: first for the Jew, then for the Gentile.
Romans 1:16*

Summer has arrived! Our Sunday morning volunteers enjoy a break from our weekly Christian Education classes, however, we'll continue with Christian formation activities during June, giving your children opportunity for fellowship and learning so that all adults can easily attend the parish-wide bible study in the Parish Hall this month. If you are in 8th through 12th grade, we can use your help with the children. Please call to volunteer.

I was thankful to hear Rob Rienow, author of *Visionary Parenting*, over at St. John's in May. He used an interesting analogy concerning 'power'. He said in pointing your child's heart to Christ, no matter what their age, 'Be not ashamed of the gospel.' He went on to say why, according to Romans 1:16.....'Because it is the power of God unto salvation for everyone who believes....' He then asked, 'If you held the cure for cancer in your hand, would you not give it to your child if needed?' (Yes!) In the same way, since we hold the power unto salvation in our hearts through the knowledge of God through Christ, would we not continue to share it with our children? (Yes, of course!) Accordingly, during our Vacation Bible School, the week of June 9th – 13th, 9:30am – 12:30pm, children and volunteers will discover more about the gospel at *Power Lab: Discovering Jesus Miraculous Power*. Come and See! Call the church office or go to www.saintalbans.org to register today.

Thank you for your continued prayers for the ministry of Christian Education. Please prayerfully consider how you can participate next fall, beginning September 7th. We need 3 to 4 teachers on each of our four teaching teams. Let me know if you are willing and available to join this ministry so that planning can begin.

Warmly yours in Christ,
Susie Wheaton

Kroger Rebate Program

Kroger has changed their organization rebate program, now calling it the *Kroger Neighbor to Neighbor Donation Program*, replacing the Kroger Share Card. This program runs from May 1, 2008 through April 30, 2009. For those of you with Kroger *Plus* cards who used the Share Card each time you shopped, this program will be much easier. Please take a copy of the Customer Letter located in the Narthex on the Visitor's Table, and the next time you stop at Kroger have the cashier scan your *Plus* card and then the barcode in the Letter. This will enroll your *Plus* card in the Neighbor to Neighbor program for the entire year, and St. Alban's will receive a portion of \$1,000,000 that Kroger will donate to all the enrolled charitable organizations. You will no longer need to have the Share Card scanned each time you shop. St. Alban's will receive a portion of the \$1,000,000 based on the percentage of our purchases compared to the other charitable organizations.

Kudos

Know ye by these presents that the undersigned hereby recognize the extraordinary dedication, scholarship, conviction, appetite, and perseverance of a band of devotes known in these parts as St. Alban's Sowing Seeds, who on the 3rd day of May in the year of our Lord 2008, did gather at the training site to test their mettle in a throwdown pavestone exhibition. These candidates undaunted, with practiced dispatch and without disparaging words did dig, shovel, haul, spread, smooth, layer, measure, resmooth, tamp, and finally stack bricks to create a magnificent brickway for nature's waters to flow without erosion. By the powers of this notice let it be universally recognized that the following initiates have been tested and found worthy having passed their OJT baccalaureate and are hereby conferred the titles noted.

Nasser Gittiban...Fearless Organizer Supreme

Ty Head...Extraordinary Jack of Trades

Tom Lawley...Senior Field Academic Esq.

Ron Huffstetter...Durable Shoveler and Bucket Brigadier

Mike Altman...Faithful Hauler of Bricks and Sand

Gloria Lawley...Journeyman Bricklayer Superior

Julio Welling...Bricklayer Exemplar

Bill Welling...Inspiring Whip and Tool Magnet

Rick Coombs...Faithful and Capable Grand Poobah

With these Godly craftsman, St. Alban's Sowing Seeds is blessed and Steve and Rilla Altman are thankful and grateful.

Over three days in early May, Archbishop Gregory Venables, the Primate of the Province of the Southern Cone, spoke and responded to questions from the clergy and laity of the diocese.

Youth Sunday Offering — Allie Roark

As part of our Youth Sunday and Christian Education volunteer appreciation Sunday, graduating senior, Miss Allie Roark, was asked to share what active participation in St. Alban's parish youth and Christian education programs has meant to her. We thank her for this special offering and look forward to seeing her when she is home from college through the years.

I have gone to St. Alban's my entire life. I have learned and experienced so much here and have met some great people who have become some of my very best friends. This place is everything that I could hope for in a church and in a family. This is more than just a place to come and worship; it is a place to come and be comforted, loved, and accepted. In the time that I was participating in the youth group, I learned and grew so much as a person.

The education I have received here transcends what is typically thought of when you think of Sunday school. In these classes, you learn to know not only God, but yourself and God in yourself. The discussions in the Sunday school classes that I have been have very rarely stayed on the sole topic of the intended lesson. Just ask any of our wonderful teachers. And, although many tangents took us far from the intended point of the lesson, we still managed to learn something and found a new perspective in which to look at things. It is truly amazing how many ways can be found to relate normal, everyday occurrences which excite, frustrate, confuse and astound us and use them to find a new beauty in life, in the Scripture we study, and in applying these lessons everyday after learning this new outlook.

As some of you know, when I was in seventh and eighth grade, my family and I moved to southeast Texas and became part of the St. Stephen's family. It was there that I learned how truly advanced my Christian education really is. When I was younger, I was very shy (imagine that...), and I would only go to Sunday school with my dad. At first I thought I would just sit there and not understand. But, I was soon quite able to jump right in and contribute to the discussion.

New Beginnings has been another of the things that has really enriched and enlightened my experience here at St. Alban's. For those of you who don't know, New Beginnings is a youth retreat for seventh through ninth grade students. If you haven't gone, GO!

And, if you're too old, then go to Happening, which is the retreat for tenth through twelfth grade students. I never actually made it to Happening because I was never able to find the time to go. I am truly saddened by this, so again, I'm telling you to GO! Because it will change your life! And, if you're shy and don't know anybody and think that you'll go and be miserable, throw that out the window because the friends will find you! Trust me, I know. You'll get so close to these friends during this one weekend that you'll just keep talking, and you'll have amazing friends all over North Texas because you've shared a life-altering experience that so many never get to understand. This is a bond that will keep you strong and help you through any troubled or stressful times you may experience, because you'll have people to help you through it. And, when life is great and you're just really excited, you still have someone to call and tell about it. I know you're thinking, "Well, I can get that at school or something..." This is just different; but I digress.

I'm supposed to be up here talking about how all of these things have impacted my life. It's funny, I hadn't ever really thought about it, and when I began thinking about all of these wonderful memories I have, it made realize, I don't think I could have memories like mine from anywhere else. St. Alban's has been shaping the person I have become since before I was even born. I was baptized here. I received First Communion here. I was in Music Makers and Youth Choir when we still had it. I've done so much here, and I'm so grateful to have had that opportunity. It's the simple things in life that create some of the best memories. It's the challenges in life that define character. I would like to think that some of my best character building and memory making have been done right here. There are so many ways that St. Alban's can change people, but I know that the best way it has changed me is that it's helped me to realize everything that I've just told all of you. And, that is that this place is love. Going off to college is going to be scary, but I really believe that everything will be ok because I've learned a strong sense of faith during these many years I've come here. I know that, come what may, God will be there guiding me and I'll have people behind me helping me to listen and do what is right.

Thank you and God bless you.
