The Legate

A monthly publication of
St. Alban's Episcopal Church

Dear Parishioners

August brings first congratulations to Fr. Duncan for his one year anniversary of his Ordination to the Priesthood. Congratulations Fr. Duncan! I believe that God has blessed us at St. Alban's with Fr. Duncan. May God bless you and keep Fr. Duncan as he continues to grow and mature in his ministry in Christ. Again congratulations.

Since I have just come back from a vacation, I will be keeping this article short and hopefully sweet. Work has begun on the expansion of the pipe organ. Work will continue this month so we will make the best of the situation as we do not know when we will have the organ available or when it will be down. We also welcome back our choir from their short vacation. I hope that all have rested their vocal cords and we look forward to another great year. May God bless you in your ministry and for all the dedication and work you give so generously.

The installation of the new pews appears to be the week of August 15th if all keeps on schedule. We will have to strip the floor of the Church and refinish it before the new pews are installed. This is a large project by itself so please be aware that the Church may not be available this week. I am excited to see the new pews and hope you are also. It will be a great addition enhancing our Church.

I hope everyone is aware of Rally Sunday on Sunday, August 30th. There is an old saying that 20% of the people in a parish do 80% of the work. While I do not believe this statement holds true for St. Alban's, I would like to see 100% of the people doing 100% of the work at St. Alban's. We are not one day a week Christians—but

Christians who are called to live out their Christianity every day of the week.

Rally Day offers us opportunities on numerous levels. New to the Parish and don't know how to get to know some people? Try our Dinners for Eight ministry. Not so new to the Parish but want to expand your knowledge of our Lord and Savior? Try Bible Studies, Cursillo, Sunday School, Vacation Bible School and more. Interested in the ministry of helping others? Try Outreach ministry, the Advent Project, Meals on Wheels, Night Life Shelter and the other projects that are available. Have a liturgical gift and wish to serve? Choir, Lay Readers, Chalice Bearers, Acolytes, Eucharistic Visitors and others are available. Interested in healing? Prayer? Listening to and helping parishioners? Order of St. Luke's, Daughters of the King, or Stephen Ministries might be for you. We have many opportunities available that require commitment for a project, commitment once a month, commitment weekly and even daily. There are no excuses one can give for not being involved in the life of the Parish. There is something available for everyone. Rally Sunday is the time to learn and sign up for the different ministries. Now is the time for action and commitment on our part in response for the great gift God has given us through his Son Jesus Christ.

Finally, I have asked you to think and pray about what you believe will further St. Alban's to fulfill what God has called us to do, both as a parish and as individuals? On the next page is a form for your response. This form will be available on Rally Day also. Where and what do we see that God is calling us to? I have given many suggestions, not answers in my sermon on St. Alban's Day and again in the July Legate. Please give it some prayer and thought, then fill out the form and return it in the offering plate or on Rally Sunday. I look forward to hearing from everyone.

In Christ,
Fr. K+

Tales From The Loft:

As of this writing, the Organ Fund has \$61,720. and we still need \$4,175.75 for the Oboe rank. The original case has been emptied of pipes, some of which will be used in the creation of some of the new ranks. The next step will be the removal of the original case and the instillation of the new one. (The old case will be taken apart before removal and the new case will be brought in sections and assembled in the choir loft.) The pipes will then be put in, plus all the mechanical parts needed, and then the tuning will take place. Hopefully, by the time you read this, the above work will be completed and the new swell section playable. As of this date in July, \$40,880. will completely finish The Plan.

By the time you read this, there will be a copy of the latest liturgical mystery, *The Diva Wore Diamonds* by Mark Schweizer, in the church’s library. The small town chief of police in this book is also the organist/choirmaster at the local Episcopal church. He keeps his service revolver in the organ bench as he says it keeps the tenors in line! The book is a fun, easy, summer read. Enjoy.

Organist Emerita

Sunday School Corner

Let the word of Christ dwell in you richly as you teach and admonish one another with all wisdom, and as you sing psalms, hymns and spiritual songs with gratitude in your hearts to God. Whatever you do, work at it with all your heart, as working for the Lord, not for men.

Colossians 3:16, 23

“Fresh and New” is a theme that has been threading its way through our summer discussions in planning for Christian Education 2009-2010. At the time of this writing, generous volunteers who share their passion for ministry to you, your children and youth have met for short and long-term planning and collaboration, are visiting other growing congregations for ideas and learning, and are looking forward to greeting your children and youth on Sunday mornings for Bible study and fellowship when our CE classes resume on Sunday, September 13th.

St. Alban's continues our tradition of gathering for fellowship, ministry opportunities and needs, and Christian Education registration at Rally Day on Sunday, August 30th. Please look for the “Christian Education” table in the Parish Hall, and prayerfully consider volunteering as a mentor to our children and youth. We need volunteers, young and old, male and female to mentor our young Christians. If you can help in any way, please call or email me. There is much to be done before September and your input is necessary.

Additionally, we pray that you will make participation in the 9:15-10:15am CE hour a priority for yourself and your family this year. Your presence and shared fellowship is a gift!

We are planning a fall program that will be fun and interactive and will spark faith and friendships for our children, youth, and adults with classes for all ages from Birth to Adults. Classes include a study of the Lectionary, Book study, Parenting with God's Vision, Bible study, Confirmation preparation, praise and skit times, and First/Early Communion instruction.

See you at the Christian Education table on Rally Day for all of the details!

Thank you for your prayers for the ministry of Christian Education.

Warmly yours in Christ,
Susie Wheaton

Summer Time Giving

School is out, vacations and staycations are upon us, and many of us take a break from various activities during the summer. But please do not let your pledge and other giving to St. Alban's be on Summer Break. If you will be away on any Sunday, please be sure to keep your pledge and other giving up to date as soon as you return. You might even provide it in advance of your absence. An easy way to stay current is by using your credit card to make your pledge even while you are away. No cash to carry, no checks to write. (And you can probably even earn some airline miles!) Contact Pat Sparks at 817-274-7826 to arrange your credit card giving.

Marsee Memorial Garden

Progress is being made on the Memorial Garden and we will soon have the first phase completed. The contract for this phase is for \$70,000 and we are making payments to the contractor from that amount. We have an additional \$8,307.53 in the account.

We still need approximately \$30,000 to complete the Garden. This will be for the columbarium niches with granite fronts, lighting, benches and plants. Please consider making a donation in memory of a loved one or in thanksgiving for the blessings in your life. It is thrilling to see the Memorial Garden finally becoming a reality and we want to complete it as soon as possible so we can all enjoy it.

Below is the list of people to be remembered in the Garden:

- The 3 crosses are in memory of Melton/Hitt Family; Zachary Aaron Mullins; Kevan Grant

- The Columbarium/Fountains in memory of Jerry Slaughter
- Bench in memory of Charles Reichenstein
- Bench in thanksgiving – Victoria Habeeb Salem
- Others to be remembered:

When I Was Sick, You Visited Me

Jesus said: "I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me"

Matthew 25:34-40

Are you a little "ray of sunshine on a cloudy day" as the TV character House says? If you are interested in becoming a "ray of sunshine" *please* volunteer to be a hospital visitor. All it requires is a call to the Church office to see if anyone is in the hospital and a 30 minute visit just once every other week. You will find this a most rewarding ministry. Please call Keith Higham (817 460-0579) for more information.

If you have someone in the hospital or know of a parishioner that has been hospitalized, please call Sharon in the Church office at 817 274--7826.

Ultreya News

This month I would like to quote Fr. Dwight Duncan, (Rector, St. Matthias, Dallas), from a letter written to his parish as he explained what Cursillo was. His explanation may help some of you understand the terms as you hear them here at St. Alban's. There is too much information to put in one newsletter but I will add more of Fr. Duncan's explanations later. Here are his answers to two questions often asked.

"What does Cursillo mean?"

It is a Spanish word meaning "little course." A Cursillo is a little course in Christian growing and living. Lots of Spanish words here! Not for mystique but because the thing started out among Spanish Christians, has gone international and it is a lot easier to just have everyone use the original terms. Besides, "Cursillo" has a snappier ring than "little course," don't you think?+

Where did Cursillo come from - and why?

This thing started out some 35 years ago among Christians (Roman Catholics) on the Spanish island of Majorca who were concerned with growing as Christian men and women and living as such in their different environments. They realized that small groups in which individuals encouraged one another in Christian growing and living were of greatest benefit to people. (Good biblical precedent here!) So they formed for this, "group reunions" (really small sharing groups of 2-4 people or so) and "ultreyas" (a larger collection of people). The very word "ultreya" means "press on". Such a gathering

is designed for teaching, prayer, and fellowship to encourage each person in his Christian walk.

However, these people soon discovered that they were all at different places in their Christian journey, with no strong, commonly-shared bond to bind them together, to motivate them and to give them direction. To meet this deficiency, a three-day weekend was designed ...a teaching weekend. But as anyone who knows Latin Christians, knows when you get a group of them together, there is going to be a lot of singing, worshipping and enjoying of one another. Such became hallmarks of this three-day weekend. This weekend was called “Cursillo” ...little course in Christianity.

This way of helping Christians grow and live as Christians proved to be such a powerful tool that it soon spread beyond Majorca, into Spain, and eventually was brought to Texas by some Spanish pilots taking flight training in Waco. Once it hit the U.S. shores, it spread quickly into the Episcopal Church. First in Texas, now throughout the country.”

That is Fr. Duncan’s brief history of the beginning of the Cursillo movement, and I hope that helps explain what we are about here at St. Alban’s. We are people who are trying to strengthen and grow our spiritual lives by meeting in small groups weekly and in a larger group, the Ultreya, monthly. We invite you to join us! And no, you do not need to have made your Cursillo in order to come to Ultreya!

Kroger Plus Shopper's Card Program

Once again, St. Alban's has joined the Kroger Neighbor-To-Neighbor program to take advantage of Kroger's generosity in supporting the community. Our parish will receive a portion of the \$1,000,000 that Kroger will distribute next May based on the proportion of our purchases compared to the total amount all the participating groups spend at Kroger Food Stores. In order for your purchases to be applied to our total, simply have the cashier scan your Kroger Plus shopper's card and then scan this barcode the next time you shop. Your card will be linked automatically to our parish's account. Then, beginning July 1, 2009 and running through April 2010, every Kroger Plus purchase you make at Kroger will benefit St. Alban's. Remember, you only need to have this barcode scanned once, so cut it out now and take it with you the next time you shop at Kroger.

St. Alban's Episcopal Church

Thanks so much for your continuing support of St. Alban's.

Thanksgivings

Youth and Young Adults

20s & 30s Ministry:

Caritas had an excellent turnout for our Bowling Night on July 24th. We were joined that night by Fr. Chuck Hough and young adults from St. Mark's Church. Hopefully this will be the first of many collaborative events between the young adults of our two churches. The next *Caritas* meeting will be August 28th, so mark your calendars, and keep your ears open for more details about that evening.

During the month of August *Caritas* will continue with its study of Scott Hahn's *Swear to God: The Promise and Power of the Sacraments*. In his book Hahn guides us through a scriptural study of the sacraments. We gather for the study at 9:00am in Room 10, and beginning with some social time, followed by a review and study.

UTA - Canterbury House:

By the time you will be reading this Canterbury House will have had an organizational meeting with myself, Fr. Chuck Hough of St. Mark's Church, and two interested students from U.T.A. At this point we are preparing for U.T.A.'s Student Activities Fair, held before the beginning of each school term. Having a presence at this year's Activities Fair will be critical to getting the word out on Campus about Canterbury House.

Canterbury House is an important ministry of the Diocese, but also an important ministry of St. Alban's parish. One thing that we can do to support this ministry, as a parish, is to make sure that

we are especially welcoming and hospitable to college-age people that we see at church on Sundays. With just a friendly smile and greeting, you can help us build up our ministry to the local campus community.

Youth Groups:

Teenage Youth Group:

We had three of our youth attend their first St. Michael's Conference this year and we all had a great time. We're already looking forward to the first St. Mike's Reunion this fall.

Last month our Teenage Youth Group gathered and began a renovation of our Youth Rooms. We started with our main meeting room, Room 12. The first phase of this renovation was to paint the entire room. The Teenage Youth Group will meet on Sunday, August 2nd and August 16th from 6:30pm to 8:15pm in Room 12. After Rally Day (Aug. 30th) we will return to a weekly meeting.

Junior Youth Group:

At our meeting on Sunday, July 12th our Junior Youth Group began to talk about what we as a group could do to serve our community, in the name of Christ. We began by listing all the various things that we were thankful for, such as food, video games, air conditioning, clothes, friends, and many, many more. From there we took each item and brainstormed ways that we could give that item to others. Finally, we narrowed down the list to five service ideas, with the first on the agenda be getting fans or air conditioning to community members that don't have them. In the next few months you'll be hearing more about the junior youth group service project. Our Junior Youth Group will meet next on Sunday, August 16th from 12:15pm to 1:30pm.

To kick off the beginning of the School Year our Junior Youth Group will be having a Pre-Rally Day Pool Party on Saturday, August 29th. Location and time of that event will be in the Sunday bulletins leading up to Rally Day.

Monday Book Club: “Go to hell!”

Beginning September 14th the Monday Book Club will commence with a study of the *Inferno*, the first in Dante’s Alighieri’s three part work, *The Divine Comedy*. Come join us as we study one of the greatest works of Western Civilization, and follow Dante’s journey through the circles of Hell. In each circle of Hell Dante gives us a picture of the true nature of sin in our lives. Our study will be in Room 10, immediately following the 10:00am Monday Mass. If you are interested in joining us there will be copies of the *Inferno* available in the Book Store.
